360 joggers and a goat run the Yard

A record 360 registered runners and one goat took part in the 1983 running of the Heineken Yard, Friday.

The event saw numerous records fall and close to \$2500 raised to help finance the efforts of the Candian Select Bobsled team.

The overall winner of this year's event was Greg Lockhart who shaved close to a minute off the record. He ran the 4.5 mile distance in 21 minutes, 58 seconds. The record, set by Trevor Shand in 1981 was 22:56. The first three finishers in the open men's class broke the existing record. Roger Cankwell, a member of the Brook Racing Team, finished second with a time of 22:23, while Thomas Drysdale was third with a time of 22:49.

The women's record for the course also took a beating. The first female to cross the finish line was Sue French, another member of the Brooks team. She covered the course in 25:23. The existing female record was 28:17 set by Janet D'Arcy in 1981. The other two finishers in the open women's category also broke the existing record. Tracey Robinson was second in this category with a time of 26:22, while Susan Stone was third in the open women's group with a time of 27:15.

Robert Moore, a regular at the Yard, placed first in the Master Men's category and fourth overall. He completed the course in 23 minutes, 13 seconds. Second in the Master Men's was Vic Mathews with a time of 25 minutes even, while third spot went to Peter

Carr-Locke at 25:43.

In the Master Women's category, Helen Malmberg turned in the fastest time at 31:29. She was followed by Monika Lobell at 34:44 and Ann Ellis with a time of 35:07.

John Fleming led the Junior Men's division with a time of 24:26. Second in this section was Marc Tardif at 25:57 and then Brooks Racing Team member Graham Inghane.

Mary MacDonald led the Junior Women's division with a time of 31:43. Second was Kathryn Ireson at 35:03 and Diane Wiseman with 35:38.

The first ten finishers were all competing in the Open Men's category, except the fourth place finisher Robert Moore, a master runner. The top ten positions and their times include: Greg Lockhart 21:58; Roger Cankwell 22:23; Thomas Drysdale 22:49; Robert Moore 23:13; Harold Hoefle 23:22; Richard Lee 23:28; Bill McGill 23:38; Craig Stevenson 23:40; Mark Davis 23:52; and Bruce Trigg 23:54.

The Brooks racing team and the Canadian Select Bobsled team were in attendance. This is the third year the bobsledders have taken part in the race and once again thrilled the audience gathered along Minden's Main Street as they pushed their wheeled practise sled into town.

The Brooks Racing team,
(more on page 8)

Greg Lockhart crosses the finish line of the Heineken Yard after knocking close to a minute off the existing record for the 4.5 mile run.

The winner of the Gooderham Horseshoe Days demolition derby emerges victoriously from his still steaming car to receive the accolades of his fans. The derby was one of many activities which were part of the mid-summer celebration. The fact the driver won \$250 for his efforts behind the wheel, no doubt added to his elation.

Police charge area boaters

Charges are being laid against boaters whose vessels do not have proper life saving equipment on board.

That warning was issued by the Minden detachment of the Ontario provincial police this week after fifteen operators of boats in the county were charged.

The police note, "The Canada Shipping Act stipulates that every vessel shall carry one approved small vessel life jacket, approved personal flotation device, or approved life saving cushion for each passenger on board." Violators of this part of the act are fined \$30.

Enforcement of this regulation is being carried out by a special marine patrol of the local detachment.

Old by-law now in force

Rewriting of new zoning by-law ends

The long and arduous process the municipality of Anson, Hindon and Minden has gone through to update its zoning by-law has taken a step backward. However, it is the feeling of the present council that the action will result in a quicker resolution of the confusion surrounding the rewriting of the zoning by-law and the creation of an official plan.

At a special meeting July 26, the council rescinded zoning by-law 82-11 which now makes the older 14-67 by-law the authority for zoning purposes in the municipality.

The action was necessary because of the confusion surrounding the new by-law, which was first introduced in 1982, after a year of revisions. At the time of introduction, a number of errors were discovered in the text of the by-law and strong objections were raised to a number of provisions, including the Ministry of Natural Resources which objected to zoning in potential flood areas.

In attempting to react to the objections and correct

the errors, further delays in seeking the approval of the Ontario Municipal Board were encountered. Finally, an election brought a new council to office last year. The new council announced it felt the municipality would be better served if it had an official plan.

Since an official plan and the zoning by-law are two closely related documents, it was felt it would not be appropriate to proceed with the preparation of the new zoning by-law until the official plan was in place.

The death knell for the attempt at rewriting the zoning by-law came last Tuesday night when the council passed a resolution, rescinding the efforts which went into the 1982 attempt to create a new zoning by-law.

Until a new zoning by-law is enacted, the municipality will be governed by the provisions of the older by-law, 14-67. However, the council has indicated that it will be flexible and willing to pass amendments to the old by-laws to institute zoning policies it favours.

Driver charged following mishap

A charge of careless driving has been laid against a Minden area man following an accident Sunday on Highway 35 on the by-pass.

The accident, which took place at 2:30 in the afternoon, involved cars driven by John Ellsworth, 36, of Toronto and William Hutchinson, 24, of Minden. Ellsworth had stopped to make a left hand turn when his vehicle was struck from behind by the Hutchinson car.

Both drivers and a passenger, Ramona Ellsworth, were treated at Minden Red Cross Hospital for minor injuries. Damage was estimated at \$7,000 in total.

The mishap was investigated by Constable Boyd Jarvis.

Single car mishap

An accident on the North Shore Road in Stanhope Township resulted in \$5500 damage to a car driven by Rodney Sisson, 16, of West Guilford. According to the police, Sisson lost control of his car on the wet pavement in the early morning hours Monday. The car entered a ditch and rolled over.

The driver was taken to Haliburton Red Cross Hospital where he was treated for broken ribs.

A charge of careless driving has been laid against the driver. Constable Boyd Jarvis

was the investigating officer.

Slider injury

A Toronto youth has been transferred to Sunnybrook Hospital for treatment following an accident on the Skyslider in Haliburton Village. The mishap occurred Monday at approximately 6:30 p.m.

According to the police, 21 year old David Alexander Smith was piloting his cart down the hill when it left the track, landing on an adjacent track. The man received severe cuts to his upper leg, arm and shoulder.

Thefts

Gull Lake property owners have been the target of thieves collecting outboard motor gas tanks this past

summer. According to the police, two tanks were stolen this past week, bringing the total number of missing tanks to eight. The two tanks were taken from the boats moored on the east side of the lake. The police investigation is continuing.

Inside please

Four youths have been charged with criminal negligence in the operation of a motor vehicle following an incident last week on Highway 121 in Dysart Township.

According to the police a car was observed travelling at a high rate of speed. The officer noted that two passengers were on the hood of the vehicle. The other two were riding

inside the car.

The youths, who are from the Hamilton-Dundas area include, John Peterson, the driver, Kevin Kozicz a passenger, Bradley Chichakian and Donald Higgins, both of whom were riding on the hood of the car.

The four will appear in court August 17.

No record of money found

A search for the municipal files has indicated that no record exists of a resolution setting aside funds for downtown improvements in March of 1980. President of the BIA, Gord Monk, and member of the board of directors, Stu Brandon, attended the July 26 meeting of the Anson, Hindon and Minden council for clarification on the matter.

Monk had maintained that the council of the day

had set aside money earmarked for the core area improvements. However, according to the search carried out by the clerk-treasurer, Elinor Burke, the only amount indicated was \$20,000 to be set aside yearly, beginning with the 1981 budget. Those funds are being used this year to help finance a NEED/Co-Ed project involving the installation of interlocking block sidewalks.

The BIA president expressed concern that money would not be available to carry out the work in the present project. However, he received the assurance of the council that if funds were not adequate this year to cover the work planned, the project could be carried over to next year's budget to ensure the completion.

July weather

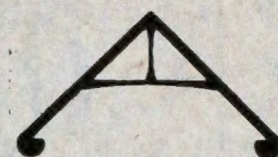

- by Phil Graham -

	C	F
Average high	27.2	81
Average low	11.7	53
Average for the month	19.4	67
Average for July 1982	18.4	65
Highest temperature (July 30)	31.5	88.7
Lowest temperature (July 6)	3.0	37.4
Rainfall	43.6 mm	1.7 in.
Days with thunderstorms	3	
Days with rain	8	
Days sunny or mostly sunny	19	
River water temperature	24.0	75.2

July was another ideal month. Although it did appear much hotter than normal, there was only one degree (C) difference from the average last year during the same month. Here are some figures from last July: highest temperature during the month - 31; lowest temperature - -2; rainfall - 45.2 mm compared with 43.6 mm this year, a difference of only 1.6 mm. The temperature of the river water was 23 on July 31, 1982. This year it was just a degree higher at 24.

Here is a look at some averages during the past six years showing that things have remained fairly constant during that period:

	Average high	Average low	Average for the month (July)	River temp.
July 1978	25.3	11.	18.1	23.
1979	26.3	11.3	18.8	25.
1980	25.	11.6	18.2	23.
1981	25.6	11.	18.3	22.5
1982	25.8	11.	18.4	23.
1983	27.2	11.7	19.4	24.

KANAWA CANOE MUSEUM

"The largest in the world"

EXIT LEFT 1 km.

Stanhope Reeve Harry Davis examines a new sign advertising the Kanawa Canoe Museum in his municipality. The sign, paid for by the township, was erected on Highway 35 just south of the attraction. Davis said the marker was erected to help let visitors to the area know where the museum is located. The reeve pointed out that the sign must be working because since it went up last week, the museum has experienced an increase in visitors.

Firm hired for flood mapping

Mapping of the potential flood plain through Minden Village and Lutterworth Township will be carried out by Paragon Engineering Limited.

The contract to allow the company to carry out the work was endorsed at the July 26 meeting of the municipal council.

The mapping had become a necessity after the Ministry of Natural Resources raised a number of objections to the township's new zoning by-laws and their treatment of areas close to the Gull River. In particular, MNR was concerned that areas which appeared to be potential flood areas were not being properly identified in the new zoning by-laws.

The MNR objections effectively blocked the new zoning by-laws and left the townships with little choice but to accept the studies which would delineate the flood plain boundaries. The study is being carried out

through a joint federal, provincial and municipal program in which the local level of government pays ten percent of the costs of the study.

The total cost of the study

being done in this area, covering the two townships, is \$35,227, according to the price offered by Paragon Engineering. Anson, Hindon and Minden township will cover 65% of their share of the study while

35% will be paid by Lutterworth Township.

The contract with the engineering company requires the approval of the Ministry of Natural Resources, before it can proceed.

Official plan consultant approved by township

The first step in the creation of an official plan for Anson, Hindon and Minden townships was taken at the July 26 meeting of the municipal council. At that meeting, the council endorsed a resolution, hiring Robert Lehman Planning Consultants to carry out the necessary studies for the completion of an official plan.

The contract price for the work was \$29,830. The council had interviewed a

number of consultants about the project before selecting the company.

According to clerk-treasurer Elinor Burke, the company has indicated that the plan should be ready to present to the Ontario Municipal Board in just over a year's time. During the year of study the company has indicated that regular communication with the public will be maintained, including a request for

input prior to the terms of the planning being drafted. As well public hearings will be held when the plan is ready so that those interested in the document can be made aware of what it contains before being presented to the Ontario Municipal Board for approval.

The contract with Robert Lehman Planning Consultants is dependent on confirmation of contractual details.

Fishing

It is that time of year when the pace in the Highlands slows to a veritable crawl. Not that there isn't a million and one things (well quite a few, anyway) going on all over the place, however, from a self-centered editor's point of view, there just isn't a great deal out there to sink one's teeth into to fill this space.

Certainly, the organizers of the various events throughout the Highlands, warrant our praise and thanks. The work, carried out mainly by volunteers, ensures a wide and varied program for the public to enjoy. Their efforts often go unheralded and deserve recognition, especially because they are returning so much to the community. We salute their hard work.

While the activities these groups sponsor, do generate a certain amount of material for the "news" portion of this newspaper, they are hardly of the variety that stimulates a searing commentary.

Besides, the weather, the holiday atmosphere, the genial ambience of the Highlands at this time of year undermines our ability to concentrate, to focus on the burning issues of the moment.

So, you'll pardon us this week, if we fall back on our old "Dog Days" editorial. Quite frankly, like most everyone else, we'd rather be fishing.

Editor:

I have noticed that in both the advertising and the reporting of the Stanhope Fun Day, that practically no mention has been made of the Art Show.

This has been a regular feature of the day for a number of years. There has been a dedicated effort on the part of a group, mostly the Stanhope Library Committee, with the help of several others to make this a worthwhile display in the library. The art is very good and draws favourable comments from our visitors. The artists are mostly local people, both permanent and cottage residents.

This year there were one hundred and eighteen pieces of art, by twenty artists. We also had over one hundred visitors sign our guest book. This is certainly one of the attractions of the day which is appreciated.

Norm Wallace
R.R. 2 Minden

Editor:

The letter in last week's paper from Mary Crombie that suggests our attitude toward tourism is "smug, unimaginative, and short sighted" and refers to our "less complacent, tourism promoting neighbours", does not specify exactly who it is aimed at, so it must be assumed it is directed at all of us who live, work, and operate a business within the county. As the individual now responsible for the marketing programs of our county-wide Chamber of Commerce I take personal exception to her comments.

Our county council could certainly not be accused of being complacent when they voted \$50,000 and \$60,000 toward the Chamber's promotion of tourism in the county for each of the last two years respectively. Our

members can't be called complacent when they add another \$65,000 to \$75,000 to that figure in addition to their own promotional budgets which often run into several thousand dollars each. Our board of directors who spend many hours of volunteer time developing the plans and programs can't be considered complacent.

Our "less complacent, tourism promoting neighbours" have shown a great deal of interest in our activities over the past two years. Requests come from the Highlands of Hastings, the County of Victoria, the Region of Durham, Quinte Isle, Parry Sound and District and the Muskoka Tourist Association for copies of our marketing plan and details of our methods of operation. The Honourable Reuben Baetz, Minister of Tourism and Recreation stated that our Chamber was the "most active Chamber of Commerce in the promotion of tourism in this province" at our annual meeting last year. The Ontario Chamber of Commerce recognized one of our promotional programs in 1983 with the "President's Award for outstanding Achievement". We are recognized within the Central Ontario Travel area as being the strongest and most organized part of the region.

In spite of all this I am sure that Ms. Crombie can find individuals who have not yet heard of either the Haliburton Highlands or the Kanawa Museum. The important point is however, that there are far fewer now than six or eight years ago, and we continue to work toward decreasing that number. It is a huge market and it will take much more time and money to accomplish this.

It is also worth noting that in the consultants recommendations on the future Kanawa Museum a budget of \$32,000 is projected for advertising and promotion annually. Presently, and in the past, not one cent was budgeted for that purpose by them. The Chamber did produce a modest descriptive leaflet about the museum because none was available and have promoted the facility through its own and other publications.

The museum, or at least the nucleus of it, should remain in the Highlands and some of the members of the Museum Board agree with this. The proposal prepared on behalf of Peterborough (at considerable expense to provincial taxpayers) is simply that — a proposal. A committee made up of County Council represent-

atives, and the Citizens for Kanawa Committee will be presenting a proposal also. It would be very premature to assume that the Highlands have lost this valuable collection.

There is no doubt that there are some complacent, smug, unimaginative and short sighted people in our county — as there is in every community. Fortunately, however there are a good number of the opposite and the very real danger of having such ill-informed criticisms dumped on them over and over is that they will become discouraged. If those who are working so hard now tire and drop the ball, will the critics bother to pick it up and run with it?

Bob Stinson
Marketing Representative
Haliburton Highlands
Chamber of Commerce

6 & 5 and the Liberals

-by Bill Scott, M.P.-

The Federal Cabinet held several meetings in July of this year supposedly laying the plan for a throne speech to be presented in the fall.

Apparently, one aspect of the last session they feel has been most successful is the 6 and 5 program. All reports indicate they are investigating new ways of applying restraints possibly even more strict than 6 and 5. That program has been accompanied by promises of spending restraints. The first application of 6 and 5 was to Old Age Security payments. Family Allowances and health and education

transfers to the provinces. No dramatic decrease in government spending accompanied this to act as an example. Based on the Statement of Financial Operation for March 1983, federal spending rose from \$64.7 billion in 1981-82 to \$75 billion in 1982-83, an increase of 15.8 per cent in federal spending in the year in which the last three quarters were under 6 and 5.

The Government claims that spending increased unavoidably because of transfers to individuals and provinces, unemployment insurance benefits, and

Carnival another success

It was another fun and exciting year for the Minden Rotary Carnival, held last Wednesday and Thursday. Crowds converged on the Minden arena to try their luck on games of chance and enjoy the thrills of the carnival rides outdoors.

Inside, in addition to games, visitors could quench their thirst and listen or dance to live music.

Among the many highlights of the two day event was the opening night parade which featured the Canadian Knights Marching Bugle and Drum Corps, numerous floats from area merchants, and the participation of children in various costumed classes.

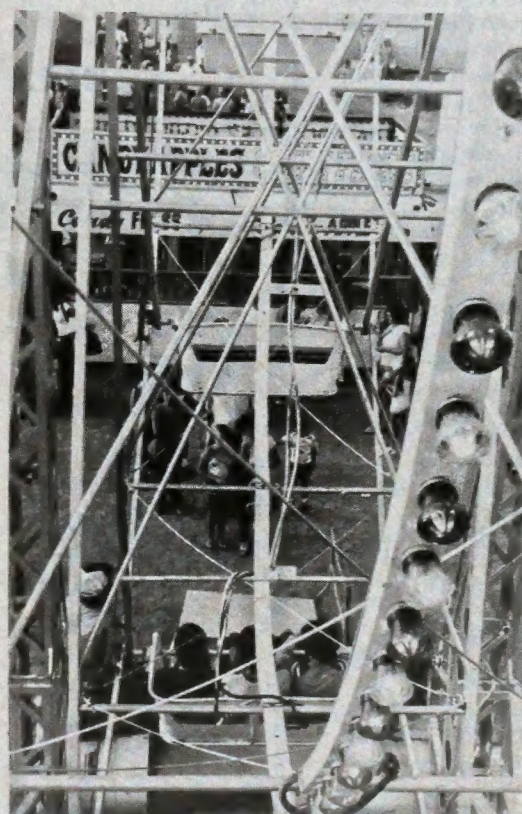

Thursday evening, as the carnival drew to a close, a draw was made for the grand prize of \$1000. Helen Lowe, the exchange student from New Zealand who is being hosted by the Minden Club, selected the winning ticket. The \$1000 bill was won by Mrs. Hughie Alton Sr. of Minden.

The entries in the parade were judged under several categories. The winners include: best overall-Silver Birches Cottages and Camping, best commercial entry Sandalwood Gifts; best group or camp the Minden Agricultural Society (Haliburton County Fair); special prize for animal entries Rockwood Farm; honourable mention, commercial The Pink Elephant; top entries from children Andy Conaughan, Meaghan Obee, Tammy Pritchard, and Jana Obee.

The photos on this page capture some of the excitement of the two days of activities.

Clockwise, from the left: Helen Lowe displays the \$1000 bill with carnival chairman Al Mayo, left, and Rotary president Bill Obee. The Hyland Crest float. The Rotary Club float leads off the parade. The award winning entry from Silver Birches Cottages and Camping. A tangled view from the ferris wheel.

from the chamber

Every day all around us we see the signs of inflation. That loaf of bread that cost a nickel when we were a child now costs a dollar. Movie admission has gone from a quarter to five dollars. Everything in the world seems to be getting more and more expensive. One thing that hasn't got any more expensive is free advertising.

Free advertising you say? Yes, I said free advertising! How many parades does your business participate in every year? My guess is one or two at the most but most likely none. This point was driven home to me last week when I was watching the Minden Rotary Carnival parade. There was only about a dozen and a half units representing local businesses. Some of the local businesses that did sponsor floats, didn't even have signs to indicate their sponsorship.

Ahha! Parade sponsorship isn't free! It costs money for gas to get to the parade and drive in the parade and get your float ready. You're right. But, most businesses own a vehicle already that has their name on the side. It doesn't take much effort to fill it up with a tank of gas, get a couple of staff members or members of your family to dress up and enter the parade. Most parades do not charge entry fees as they are so happy to have you participating in their parade. So it might take a gallon or two of gas to get to the parade and back and participate in the parade that would be your only real cost. Thus you can advertise for free.

At minimum you will foster better community and public relations, and at best you will increase your business. All at almost no cost whatsoever. Think about that, free advertising. One of the few inexpensive things left in this world. It certainly can't do your business any harm.

What's happening

The Rails' End Gallery in Haliburton is very pleased to present their new show "Robert Bateman - A Retrospective". The opening of the show will be on August 3 at 8:00 p.m. at the Haliburton High School. A public viewing of his works will follow at 9:30 p.m. in the gallery and continue through to the close of the show on September 5th. The gallery is open from 11 to 5 Tuesday to Saturday and 1 to 4 on Sundays. Mr. Bateman's works are world renowned, especially since one of his paintings was given to the Prince and Princess of Wales as a wedding present. The show consists of several

current originals as well as works of his early days in painting.

August 3 and 4 see the return of the Haliburton Rotary Carnival. This annual event will begin Wednesday with the Labatt's Fun and Fitness 10 kilometer run. At 6:45 p.m. on the third a monster parade will wind its way through the streets of Haliburton. Other events include a beef barbecue, dancing, bingo, arm wrestling, horse-shoe tournament, water ski show, and a draw for a 1983 Chevrolet Camaro.

Art Mart '83 is underway at the Agnes Jamieson Gallery in Minden. This show and sale features many works by local artists all for sale at quite reasonable prices.

The Minden Library will be showing a children's movie on August 5th at 7:45 p.m. Admission is free.

That showcase of Canadian Rockhounding, the Wilberforce Rockhound Fair '83 will take place from August 5 to the 7th. There will be many gem and mineral dealers present who will be displaying their wares as well as opportunities for the public to pan for gold, go on field trips, participate in rock swaps, and ask questions at the mineral identification booth. There will be

demonstrations of lapidary carving and silver smithing. There will be dancing on Friday and Saturday night in the Lloyd Watson Centre. Admission to the Monmouth Township New Arena Lloyd Watson Memorial Centre where all of this takes place is only \$1.00 for adults and 50¢ for children.

The Women's Institute will be holding their bake and craft sale on August 5 at 10 a.m. on the Canadian Imperial Bank of Commerce lawn in Minden.

Dorset Pioneer Week, July 30 to August 6, promises fun for every member of the family. There will be flea markets, bake sales, displays, pancake breakfast, a baseball tournament, parade, barbecue, dancing, log rolling and much, much more. All proceeds from this week go to the Dorset Community Centre Building Fund. It should prove to be a fascinating week as Dorset once again celebrates their pioneer heritage.

PLAY IT SAFE!

Alexandria centennial

The Town of Alexandria, Ontario, will be celebrating its 100th birthday in 1984. A special invitation has been extended to all the former residents of Alexandria to come and to participate in the various events scheduled throughout the upcoming year.

The focal point of our

centennial celebrations will be the "Homecoming Week" to be held from June 23 to July 2, 1984 which promises to be a great opportunity to reminisce with old friends and to meet new ones. A lively array of sporting, musical and social events are being planned for this

occasion.

Please come and join us in our centennial celebrations which will be exciting and memorable.

For further information concerning the centennial celebrations, please write: The Centennial Committee, P.O. Box 700, Alexandria, Ontario, K0C 1A0.

Training will begin again at the
HOSPITALITY TRAINING CENTRE
to train waiters/waitresses, bartenders, housekeepers
and kitchen helpers.

The training program is scheduled to start mid-September. If you wish to be considered for this training program, drop by the training centre to pick up an application form (8:30 - 4:30 p.m.) The deadline for applications is August 12th, 1983.

Brian Harrison, girls: Meghan Cherry first, Tracie Pawson second and tied for third Melissa Archer and Lisa Pawson. Age 12-15 boys: Brad Archer first, Steve Lewis second, and tied for third Ron Lewis and Jason Taylor, girls: first Jocelyn Archer, second Susan Lassaline, and tied for third Laura Mestroni and Jenny Tomlinson. Age 16-19: boys first Daniel Copeland, girls first Sue Park.

First sports day held by Mountain lake

Submitted by Mountain Lake Property Owners' Association

Sunday's downpour may have delighted the local farmers, but the committee organizing its first annual Mountain Lake Regatta spent the morning casting gloomy eyes to the sky. It was decided that Mountain Lake cottagers were a hardy lot, and the go ahead was given to the flotilla (bearing banners) to proceed on their trip around the lake, declaring the regatta officially open.

A brave, but enthusiastic, crowd gathered on the beach of Pat and John Bath's Mountain Park Cottages. Steve Taylor emceed the afternoon on a speaker

system generously loaned by the Twelve Mile Lake Property Owners' Association.

Winners of the Swimming competition listed in first, second and third place positions were as follows:

8 and under: Kelly Maybury, Ryan Bennett and Christopher Bennett.

11 and under: Steve Miller, Julie Forsbrey, and Andrew Thuro.

14 and under: Janice Miller, Joe Bath and Steve Miller.

17 and under: Daron Kirkpatrick, Bob Edwards, Janice Miller.

18 and over: Grant Hurrell, Song Yijun, Peter Tibbles.

Underwater Swim: (children): Janice Miller, Steve Maybury, Wendy Lowe.

Underwater Swim:

(adults): Peter Tibbles, Steve Muirhead, Bob Edwards.

Canoe Events, directed by Grant Hurrell:

War Canoe: winning team (Daron Kirkpatrick, Bob Edwards, Grant Hurrell and Song Yijun)

Canoe (long distance): Bob Edwards and Daron Kirkpatrick, Steve Gillespie and Wade Pye, Al Reeve and Brad Taylor.

Swiss Army Race: Tied for 1st - Bob Edwards and Daron Kirkpatrick; Al Roome and Peter Tibbles.

Parent and Child Race: Carol and Clint Crockford; Mary and Chris Gould; Donna and Katie Barbour.

Canoe Sprint: Al Roome and Peter Tibbles, Daron Kirkpatrick and Bob Edwards, Carol Crockford

and Liz Thompson.

The Water Ski Show directed by Al Roome featured a 3 man pyramid of Peter Muirhead, Steve Muirhead and Robert Menzies; a 3 boy pyramid of Ryan Bennett, Christopher Bennett and Andrew Thuro; barefoot skier - Al Roome.

Meanwhile on the beach the toddlers were demonstrating their architectural skills in the Sand Castle contest won by - Jamie and Katie Barbour; 2nd - Andrew Thuro and Ryan Bennett; tied for third - Shannon and Matthew Finamore; Corrie Divell and Chris Bennett; Brian and Heather Courtney.

The long distance Swim from Wintergreen Island to Mountain Park (one mile) proved to be a spectacular

event with thirteen participants directed by Ed Forsbrey. Winner was Margie Muirhead (33:55 mins.) 2nd place was Jason Lowe (39:10 mins.) 3rd place was Janice Miller (46 mins.)

Other finishers were: Song Yijun, Ellen Muirhead, Christine McKinley, Lea Quackenbush, Colin and Graham Pascoe.

Other Awards: Youngest person - Allison Piper (14 months); Most Senior Person - Doug Jefferson; Largest Family - Thompson, Gould & Crockford; Come from furthest distance - Song Yijun from Jinan, China. Honourable mention goes to Wendy Lowe of Nova Scotia and Rosemarie Falche of Los

Angeles; Birthday (July 31st) - Ellen Muirhead.

The George Anthon memorial trophy for overall best performance by a Mountain Lake resident was won by Peter Tibbles.

A wet but most successful day was topped off with a delicious beef barbecue served by Pat and John Bath.

Due to the inclement weather, the Sailing Race was held on Monday at twelve noon. The lasers swept the three top positions and the winners were - 1st: James Selkirk; 2nd: Ted Southey; 3rd: Ann McCarter.

A special thanks goes to Grant Hurrell, regatta chairman, for organizing such a successful event.

The Heineken Yard winners

(from page one)

Heineken Yard organizer Ian Sainsbury, above left, presented Sue French of the Brooks Running Team with her prize for being the first women to cross the finish line. She completed the course in 25:23, setting a new course record for women. Peter Billings, the representative of the sponsoring brewery was also on hand for the presentations.

At the left, Greg Lockhart, overall winner and record breaker, poses with the Heineken Yard trophy.

sponsored by the makers of Brooks Athletic Shoes, participated in the race with pledges valued at more than \$750. That money, plus the entry fees collected from participating runners, will be contributed to the training costs of the bobsledders. The team will be representing Canada this winter in the 1984 world Olympics at Sarajevo, Yugoslavia.

The runners were welcomed to Minden Village by piper Earl Cooper who was strategically located at the bridge to give the runners the extra incentive needed to sprint to the finish.

The goat was the only four footed runner known to have participated in the run: The billy was a resident of a rural pasture on the Deep Bay Road. When the runners started passing by, he just couldn't resist the temptation to join the crowd. Leaping the fence he jogged his way into town. However, without a bib number and proper registration, we were unable to obtain his time. We did note, however, that he was one of the few participants who was not panting when he crossed the finish line.

SPOT THE SHOT

For the shot in contest number four we travelled south of Minden to the dam that separates Gull Lake and Moore Lake, at Moore Falls. Nine participants were able to correctly identify the scene, but unfortunately, only one can win. The entry submitted by Lorna Hicks of Minden was selected by lot from all the correct ones received. She wins a shopping certificate valued at \$25 redeemable at either Haliburton of Minden Red and White Stores. Congratulations to her. The other entrants who correctly identified the shot in contest number four include Ellen Holden, Diane Cowen, Mrs. K. C. Adamson, Lisa Valentine, Mrs. Marjorie Cowen, Susan Lehane (who, by the way, writes a very colourful letter as well as mentioning that her family "really enjoys the contests"), Dave Farrell and Jerry Pillsworth. Better luck next time.

Can you identify the location of the shot above? In particular, we would like to know the name of the lake behind the dam as well as what there is of particular interest just below the dam. Send your entry to Spot The Shot, c/o The Times, Box 97, Minden, Ontario, K0M 2K0. Don't forget to include your name and address on the entry and please mark it contest no. 6. Deadline is August 15. The winner will be announced in the August 17 edition of The Times. Good luck!

A hot day for three wheel racers

An airborne driver and machine clear the jump in the three wheel races Saturday in Minden. The event drew an enthusiastic crowd of spectators and keen group of drivers.

Another successful afternoon of three-wheeled motorized racing was held Saturday at the Minden arena. An excellent crowd was on hand to witness the event sponsored by the Haliburton County Snowmobile Association.

The racers were able to test their skill and their machine's maneuverability over the newly laid out and groomed track which twisted through tight turns and over specially prepared uneven terrain. At one point the racers were airborne on their machines as they fired up the three wheelers to top speed.

The racing area, located behind the arena, provides spectators with an ideal view of the track and racers. The spectators can line a fence on a raised portion of the field giving them an excellent view of the competition. The one thing that the area lacked, particularly last Saturday, was shade. The heat of the sun turned the viewing area into a desert and left many spectators wilting between the races.

Organizers were pleased with the attendance, despite this drawback. The crowd far surpassed the number in attendance for the first event held about a month ago. The growing popularity could mean the three wheel racing will become a regular feature of the track.

It is worth noting that the organizers have laid out the track so, with some modification, the same facilities can be used for snowmobile racing in the winter months.

The results from this weekend's activities include: 0-125cc, non-suspended stock, sponsored by Case Realty; first Matt Lester.

125-200cc, non-suspended class, sponsored by Coltman Backhoe Service; first Allan Bruce, second Brian Wilkins.

200-225cc suspended stock, sponsored by Kwartha Dairy; first Jeff Howe, second Jeff Wilcox, third Steven Stewart.

250 stock, sponsored by Floyd Hall Insurance; first Bruce Both, second Butch Heroux, third Jeff Edwards.

125-200cc modified; first, sponsored by Minden Marine, Jeff Howe; second, sponsored by Minden Auto Parts, Steven Stewart; third sponsored by Minden Shell.

Allan Bruce.

250 modified, sponsored by Dominion Hotel; first Bruce Both, second Butch Heroux, third, Jeff Edwards.

The over-all points winner, receiving the STP jacket, was Allan Bruce of Douglas, Ontario.

A driver drifts into a turn on the three wheel racing track.

Hustlers face York Tavern in league final

For the fourth consecutive year it will be the Minden Rockcliffe Hustlers and Lindsay York Tavern in the Tri-County Finals.

The Hustlers have a two to one edge over the past three years, and will be looking forward to another championship this year.

The first game of the finals will be this Wednesday night August 3 in Minden at 8:00 p.m. with the second game back in Lindsay on Sunday. Come out and support these two teams as it should be a first class battle all the way.

Tournament

Don't forget the annual Rockcliffe Hustler Fastball Tournament on August 12-13-14 at the Minden Ball Park.

This promises to be an action packed weekend as sixteen teams will take part.

Play will start on Friday night at 2:00 p.m. with last year's champions Haliburton against Minden in the first game and continuing until Sunday

night when a champion will be crowned.

Watch for more information in next weeks paper on the tournament and for Hustler results in their championship finals.

Season ends for ladies softball play-offs start

- by Lori Dean -

The Haliburton County Ladies Softball teams ended their regular season schedule last week (July 25 - 30) with a total of seven games being played.

The Haliburton Seniors took a thumping from West Guilford to start the week off. Score was 22 - 8 for Guilford. Gail Teasdale and Shirley Litourneau played well for Guilford while Wendy Roberts with two homers was the star for Haliburton.

Later in the week the Haliburton Seniors enjoyed trouncing the Haliburton Juniors to the tune of 36 - 18. The Seniors jumped into the lead in the first two innings scoring 19 runs to the Juniors 4. The Juniors tried to come back in the third and fourth but to no avail.

The Senior team all played well with Wendy Roberts again hitting a home run in the third inning. Several good defensive plays were made with Wanda Scott and Brenda Fearrey shining in that department. Home runs seemed to be the order of the night as Marla MacNaull collected two, Miriam Smith with one, and Pam Iles one for the Juniors.

A 4 point squeaker was played in Minden Monday night as the Minden Juniors defeated the Haliburton Juniors 15 - 14. Terri Dillon hit well for Minden. Tracy Harrison and Pam Iles were the big bats for Haliburton.

Minden Juniors took advantage of another 4 pointer Tuesday night as they again came up winners in Carnarvon by a score of 18 - 14. Both teams played well in this one with the help of Wendy Ballantyne for

Minden and Cathy Darby for Carnarvon.

The Minden Dixie Lee took on Wilberforce in Minden last Monday night and walked off winners by a 13 - 9 score. Wilberforce came on strong in the first inning scoring 3 runs but couldn't hang on as Minden collected six runs in the third and fourth and went on to win. Cindy Ablett went 4 for 5 at the plate for Wilberforce and Trish Slavik was 3 for 4 for Minden.

The best played game of the week was a contest between Minden Dixie Lee and West Guilford. Minden won the game 7 - 5. The first inning produced all the runs for Minden but they held on for the win as Guilford kept threatening to take the lead. Sue Pye played a good game

SATURDAY

Sunny

For many people in the Haliburton Highlands, the only place to stop for a good cup of coffee and a friendly chat, is **The Brown Owl Restaurant** on Highway 35 in Minden. That tasty cup of coffee has quite rightfully earned The Brown Owl a reputation that is known throughout the area, but, the restaurant has become known for more than its coffee.

Indeed, The Brown Owl has become a spot to visit any time of day for tasty food and a friendly welcome.

The Setting

The restaurant opens early each morning at seven o'clock, just in time to greet the early riser. This is when the famous Brown Owl coffee is most appreciated. But breakfast should be more than just coffee, and at The Brown Owl you have a wide selection from which to choose. Their newly installed hot bar allows you to choose from a number of delicious breakfast items all prepared fresh and kept piping hot ready to serve.

The Brown Owl Restaurant is a perfect place for a light lunch. The menu includes a variety of sandwiches or cold plates. As well, the salad bar offers a wide and varied selection of garden fresh salad items and all the garnishes.

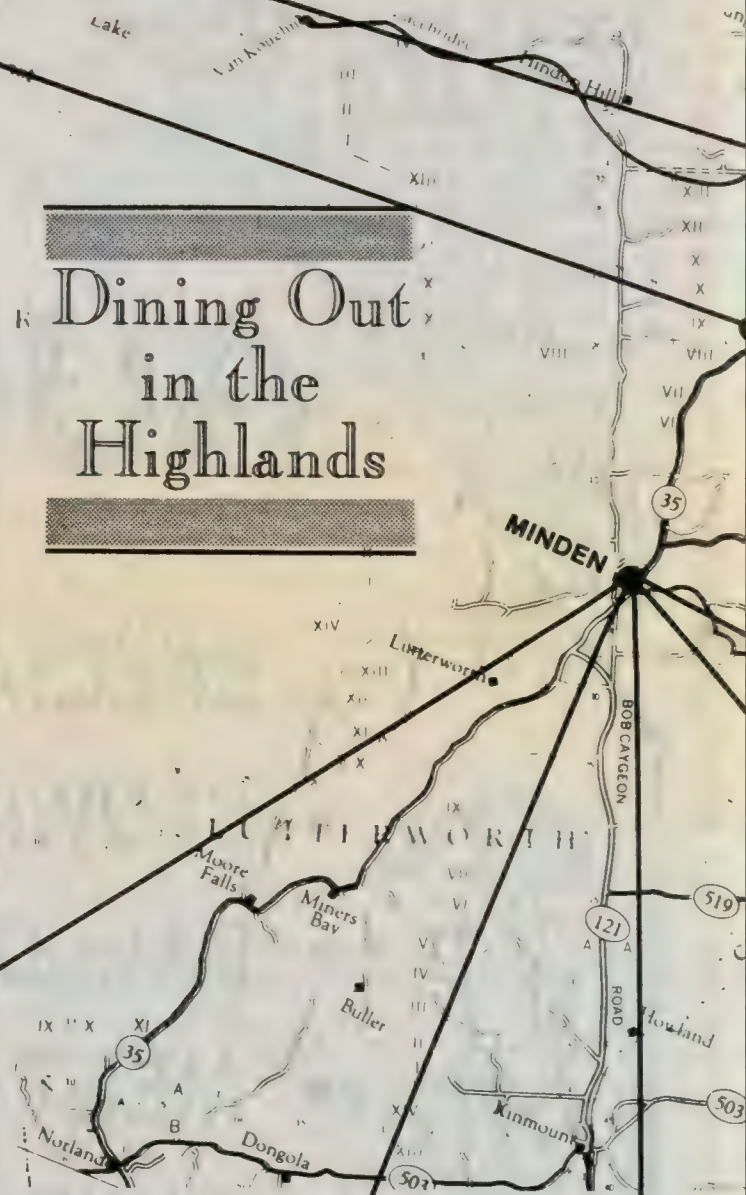

At noon or in the evening, when you are looking for a full course meal, The Brown Owl has it. Combined with the salad bar, the extensive menu is bound to please everyone. Home style cooking has always been a tradition at The Brown Owl and continues to this day.

Your hosts at The Brown Owl Restaurant, Leroy and Pat Lichty, are always on hand to extend a warm welcome.

Hearty meals, a relaxing atmosphere, superb coffee any time of the day, friendly staff and convenient location what more could anyone ask for? Visit The Brown Owl Restaurant soon.

The Brown Owl Restaurant is located at the junction of Highway 35 and South Water Street, Minden. Open daily from 7 a.m. to 8 p.m., Friday evenings until 10 p.m. Call 286-1155.

Looking back

The Canadian Land and Emigration Company played a major part in the opening of Haliburton County. The company purchased ten townships from the Crown in 1861 and then resold the land in blocks to Europeans wishing to settle in Canada.

This week we begin an examination of the company, its beginnings and how it operated. First, these are the regulations in effect, January 1859, for the sale of public lands. The sale of this Crown land, and these regulations, were advertised to attract buyers. As it appeared in the Canada Gazette of Toronto January 15, 1859, the following are the "Regulations for the Sale and Management of the Public Lands."

1. That the lands in townships which have already been delineated or shall hereafter be delineated on Survey by the exterior lines only, may be offered for sale en bloc on the following terms, viz:

2. That the price shall be one half dollar per acre, payable at the time of sale.

3. That the purchaser shall cause the lands to be surveyed at his own expense into lots comprising either one hundred or two hundred acres of land in each lot; and on the north shore of Lake Huron into quarter sections of 160 acres in each, except in spots; where the configuration of the Township may render such exact quantities impracticable, and then as near to those allotments as possible.

4. That such survey shall be made by a duly licensed Provincial Land Surveyor approved of by the Commissioner of Crown Lands, and acting under his instructions, who shall make his return with Field Notes, &c., &c., in the usual method observed by Surveyors, to be also approved by the Department.

5. That one third of the quality of land in the township shall be settled upon within two years from the time of sale; one-third more settled upon within the following five years, that is seven years from the time of sale; and the residue within the further period of three years, i.e. ten years from the date of sale, the settlement required being that there shall be at least one bona fide settler in authorized occupation for every two hundred acres of land; all land not so settled at the expiration of ten years from the time of sale to become forfeited and revert to the Crown absolutely, except such portions thereof as shall be found unfit for settlement, or such portions as are of very inferior quality and by reason thereof have remained unoccupied, in respect to which the Governor in Council may, upon application, dispense with the forfeiture and cause the same to be conveyed to the original purchaser or his assignee.

6. A Contract of sale to be made with the purchaser from the Crown, subject to the foregoing and following conditions; but Patents for the land to issue only to the

whom he claims, has been a resident upon the said lot for at least two years continuously, and that upon the same (not exceeding two hundred acres) at least ten acres for each one hundred acres have been cleared and rendered fit for cultivation and crop, and have been actually under crop, and that a habitable house in dimensions at least sixteen by twenty feet is erected thereon, and upon payment of the sum of four dollars as Patent Fees to cover expenses, &c. The nature and description of proof above referred to be settled and prescribed by the Commissioner of Crown Lands.

7. All lands which shall, under the foregoing conditions revert to the Crown, shall be exposed to sale at Public Auction at such times and places and on such upset price as the Commissioner of Crown Lands shall fix.

Crown Lands
Department,
Toronto, 13th January,
1859
P.M. Vankoughnet,
Commissioner.

MOYNES
FURNITURE WAREHOUSE

Red & White Plaza,
Highway 35
Minden
286-3511

An excellent turn out of residents and visitors helped to make the annual Red Cross Bazaar a success this past Saturday. On sale were many hand-made items and decorative pieces. The sale was held in the former Welch building on Main Street. The draw for the hand crocheted bedspread, made by Mrs. Linda McKnight was won by Mrs. Bea Berry of Minden.

Bill Scott

(from page 4)

because of such "uncontrollable" cost items as public debt charges and petroleum compensation payments. Excluding these items, the increase in government spending between 1981-82 and 1982-83 is 19.7 per cent. While this government has asked us all to accept restraints of 6 and 5 it has done very little to restrain its own non-statutory spending.

In the past three years, since returning to office, the Government has repeatedly promised to curb its spending. In that period, government spending as a percentage of GNP has risen from 20.8% to 26.1%. Let us hope that foremost in the thoughts of Cabinet is the old fashioned idea of setting an example of restraint worthy of being followed.

Do You Pitch-In?

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF ANSON, HINDON AND MINDEN, IN THE COUNTY OF HALIBURTON:

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Section 298 of the Municipal Act, that the Township Council of the Municipality of Anson, Hindon and Minden proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Minden, Ontario on Thursday, the 25th day of August, 1983, a by-law for establishing and laying-out of a public highway on the following lands in order to serve as an additional entrance from Anson Street to the Bobcaygeon Road.

FIRSTLY: ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of Part of Lot 1, Registered Plan of Subdivision 594, in the said Township, more particularly designated as Part 2 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-2833, and which Plan of Survey was made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Townships of Anson, Hindon and Minden offices, Minden, Ontario.

SECONDLY: ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of Part of Lot 2, Concession "A", in the said township, more particularly designated as Part 1 on a Plan of Survey received and deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-2833, and which Plan of Survey was made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Township of Anson, Hindon and Minden offices, Minden, Ontario.

THIRDLY: ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Anson, in the County of Haliburton and being composed of all that Part of Lot 2, Concession "A", in the said Township, more particularly shown outlined in yellow on a Plan of Survey made by Robert Woodcock, O.L.S., dated April 7th, 1983 and available for inspection at the Townships of Anson, Hindon and Minden offices, Minden, Ontario.

AND TAKE FURTHER NOTICE that before passing the said by-law at the meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Anson, Hindon and Minden shall then and there hear in person, or by his counsel, solicitor or agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED at MINDEN, ONTARIO this 15th day of July, 1983.

(Mrs.) Elinor Burke, A.M.C.T.,
Clerk-Treasurer

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER of a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners part of the 66 foot Original Concession Allowance for Road between part of lot 25, Concession 8 and 9 in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on THURSDAY, August 11th, 1983 at 7:30 p.m. proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows:-

All and singular that certain parcel or tract of land and premises illustrated on Plan of Survey registered in the Registry Office of the Registry Division of Haliburton as Plan 561.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 13th day of July, 1983.

(Mrs.) Elinor Burke, A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon and Minden
Box 98, Minden, Ontario K0M 2K0
Phone (705) 286-1260

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

MINDEN ANIMAL CLINIC

TENDER

SNOW REMOVAL TENDERS ARE INVITED FOR ONTARIO HYDRO (MINDEN) SERVICE CENTRE (83/84 SEASON)

Tenders will be received for the removal and disposal of snow from the service yard and parking lots on an as-required basis at Ontario Hydro's Minden Area Service Centre located on Highway 35, Minden and Minden T.S. on Highway 121 at Allsaw.

The contractor is to supply the necessary rubber-tired equipment with operators (hourly rated).

Roads and parking areas are to be cleared by 7 a.m. of accumulations of three (3) inches or more of snow or slush. Tenders are to be submitted by 4:00 p.m. on September 6, 1983, on company letterhead.

For specifications and site inspection contact:

Q: What bridge has never been crossed by anyone?

A: The bridge of your nose.

Q: What two animals go to bed with you every night?

A: Your calves.

Q: What grows up as it grows down?

A: A gosling.

Q: What two letters stand for wintry weather?

A: I-C

Q: What two letters contain nothing?

A: M-T

Q: Why is the letter K like flour?

A: Because you can't make a cake without it.

Team plays despite deluge

Despite a downpour which soaked players, officials and the few spectators who were keen enough to shrug off a little dampness, the exhibition soccer game between the Haliburton Dixie Lee Team and the Peterborough Marauders took place Sunday at HHSS.

The visitors, a much more experienced squad, defeated the local team by a 4 - 1 margin.

Team spokesman Jim Milne described the contest as an interesting experience, especially in the rain. The ball always seemed to be mired in the areas where water collected on the field. Efforts to kick it free of its wet berth were fruitless.

The Dixie Lee team will hold a practise this Thursday in Haliburton.

Clouds reduce water lose

Cloudy conditions with scattered showers, humidity, and haze predicted for the civic holiday weekend may reduce the evaporative losses from the lakes. A few days of rain would reduce the need for the reservoir water in the Kawarthas and hence reduce the rate of decline of the Haliburton Lakes.

This past week saw a loss of more than 6%, bringing these lakes down to 73.2% by July 25. Of course this put them below the 10-year average level by some 4.5% for that date. Last year at this time the lakes were at 83.6% more than 10% higher.

The decline of the Kawartha Lakes has been arrested with reservoir water and though a small decline is occurring on Rice Lake the Trent River lock stations do not seem to have severe operational problems due to lack of flow, yet. This indicates that the minimum flow of 17 cubic metres per second passing Peterborough is still adequate.

Dry conditions are causing Lake Simco-Couchiching to decline 3 to 4 centimetres per week as well but it is still within 5 centimeters of normal level for the time of year.

May Spence, left, was the winner of the bed spread raffled in aid of the Minden Library and Cultural Centre. The cover was hand woven by the Guild of Fine Arts Weavers and Spinners group and donated to the centre as an expression of their appreciation for allowing a 100 inch loom to be in operation for a year at the centre. The draw for the winner was held Thursday evening at the Rotary Carnival. With May is Gallery summer student Trish Hewitt.

senior league

by Bert Harrison

It was nice to have back for the service Sunday night, the Rev. Burgess John, I hope he didn't think we couldn't carry on. We have a fine couple who came each Sunday to conduct the service while the Burgess' were away. Then last Sunday night, who should come along, well I won't keep you guessing, Morley Johnson, to dismiss us with his blessing. Joan Kernohan has a helper her name is Glenda Newell. She says she likes her work and also likes her boss, what worries her in this large place, she's afraid she might get lost.

Monday night is movie night here at Hyland Crest, our girls take much trouble, to try and get the best. Then Linda stays to show them too. Those who come to see them are very few.

Tuesday morning Pastor Wood from Allsaw Pentecostal church, along with his wife Joyce conducted the service for the first time here. Mrs. Wood sang for us with a voice so sweet and clear. Pastor Wood brought us a most interesting message this July day, and faithful Agnes Taylor came again to play. Tuesday noon Doris said if in the bus we would embark she would take us for a drive to Haliburton's High Line Park shore, then to Eagle Lake and down Pine Lake shore. The girls said that if we behaved ourselves we would go some more. We just got back from our bus trip, thinking we would have a rest when we had call on

us, some very special guests. Alan Doyle from Orillia who we met many years ago, was really lucky and won a lot of dough. He brought his nieces over from the land across the sea and brought them and my sister Pearl to visit my wife and me. We had a Bar-B-Que this noon outside our backdoor, hamburgers, hot dogs and ice cream galore and the waiters came along to ask if we would like some more. Then we watched a ball game, the home team verses the home team won, it sure was quite a game a lot of fun.

Angus Coulter has sold his house to a man named Snell and he didn't try to jew him down so the deal went through quite well. Angus is having a furniture sale this Saturday, then he is coming back to Hyland Crest, and here he is going to stay. The Ralph Coopers from Brantford and Mrs. Muriel Brown came to call on us today. We're always glad to see them, when they are up this way.

Wednesday night Doris took us in the bus to the Rotary Parade, the girls had an entry on our Hyland float, they thought they had it made, then Thursday morning the phone rang, this message it did bring, "the entry you had in last night didn't win a thing". I know just what we will do if we should be so bold, we'll put an entry in next year that will knock the judges cold.

Thursday afternoon the members of the Kennis Lake Cottage Owners

Association came down to Hyland Crest with lovely sandwiches and cakes and all the very best for a birthday for those who had birthdays in July. Jim Wilkinson helped the ladies serve - he sure is quite a guy. Phyllis Simpson played lovely piano music while

75 attend show

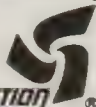

The Deckhands, a puppet troupe sponsored by the Lake Ontario Regional Library System and the Minden Library, made one of two scheduled appearances in Minden Friday afternoon. 51 youngsters and 24 adults were on hand to enjoy the show.

The puppet group is made up of three students hired for the summer to bring several programs to area libraries. Members of the group include Tina Madour, Gwen Bailey and Sean Hayes.

The Deckhands will be returning to the Minden Library August 25 at 3 p.m. Admission for these programs is free.

A march on City Hall shouldn't be the only time you get out for a walk.

On Wednesday, July 27th, my very good friend Daisy Bates and I set out for Kitchener, I being scheduled to appear on the TV program Tempo on CKCO. We made very good time and arrived in Kitchener about 3 p.m., where we proceeded to the Valhalla Hotel. It is a lovely place to stay and I heartily recommend it.

We settled in, had a delicious dinner and went back to our room to view two excellent movies provided by the management.

Thursday morning we arrived at CKCO-TV to be greeted by Betty Thompson-Women's Director and Johnny Walters. They made us feel very welcome and the crew couldn't have been nicer. The people I spoke with later seemed to enjoy the show and I was invited back again. Daisy and I went back to our hotel and after lunch went shopping-naturally-Eatons is right opposite the Valhalla.

We left Friday afternoon and on the way home we stopped in Newmarket and had dinner at the Grey Goat Restaurant-don't ask me where it is, I haven't the foggiest. We drove down one street and up another, but finally arrived at our destination. Daisy dined on succulent shrimp and I had delicious Chicken Kiev with vegetables, and we both feasted on hot garlic bread-gourmet food-it was sumptuous!

We arrived home Friday

night after a truly enjoyable stay. People couldn't have been more helpful. It is a lovely city and I hope to return very soon. Since I have been home, I have received some very kind comments on the show for which I am truly grateful.

Bradley Robinson from Toronto, visited with his parents the Philip Robinsons over the weekend. He was able to enjoy the celebration of his father's birthday with his sister and her husband Mr. and Mrs. Jack Shaw. The family had a great get together.

Lou and Lot Cataford of Schaefer Road, spent a great holiday weekend with family and friends at Licorice Falls.

Lillian Porter had her grandson Steven Melnichuk and granddaughter Rhonda and husband, also her daughter Norma and her husband Don visiting over the week-end.

Vera Ward had her two grandsons and their wives from Pettawawa visiting her over the weekend.

The winners of the Museum Card Party last week are as follows: Lone Hands, Diane Stevens, also winners were Verna McDonald and Scott Ewing.

A very happy birthday and much love to my daughter Debbie in Denver.

Colorado, who celebrates her birthday on August 4th.

If you have something of interest you would like included in the column, please don't hesitate to call. The number is 286-2539.

There was a great gathering at the home of Jean and Harry Cowen on

the occasion of Jean's mother's 93rd birthday. Everyone enjoyed themselves tremendously. Beatrice Gilbank now has her 6 children, 20 grandchildren, 43 great grandchildren, and 15 great, great grandchildren. We extend our best wishes and many happy returns of the day to Beatrice. God bless.

Nocturne

The song of the loon is an eerie sound
Amid the hills where lakes abound,
Where stalwart pines would clutch the sky
They guard their land as you and I,
Their piney needles make a nest
Wherein some infant partridge rest,
The velvet night sees myriad eyes
And tiny lamps of fireflies.
The moon casts jewels that wink and gleam
Upon the breast of lake and stream
Such strands of diamonds, opals, gold,
A spectre marvelous to behold.
And with the soft waves ebb and flow
The sparkling jewels come and go.
Their silhouettes against the sky
A stag and mate go tripping by
In triumph and supremacy
He shakes his head for all to see.
There on the rocky ledge above
Two silvery wolves are making love
Their wooing heard in joyous notes
That rings in rapture, from their throats.
But just before the dawning's break
A dark Ophelia of the lake,
Her misty-shrouded head held high
In silent splendour, passes by
Like some sequestered sombre wraith
That's somehow driven on by faith
Oh who will heed her mournful cry
"There is no lonelier soul than I!"

CARD OF THANKS

I want to thank all my friends for their cards and letters that I received both in Ross Memorial and at Minden Red Cross and also since returning home from my second hospital trip, hopefully my last.

Thanks again.
 Jerry Durant
 8A

CARD OF THANKS

We extend our sincerest thanks to all of those who contributed their time, effort, resources, and patronage to the success of our bazaar and summer dinner on July 13th and our bazaar and bake sale on July 27th. Special thanks to Vasey Real Estate who loaned us the furniture store.

Minden United Church Women

8A

The Minden Branch of the Canadian Red Cross are most appreciative of the kind co-operation received from Vasey Real Estate and the Municipality for the use of the store for our Bazaar. Thanks also to all who supported the sale and the volunteers who so capably assisted to make it such a success.

Disaster Fund Committee 8A

IN MEMORIAM

KENT Jean In loving memory of a dear wife, mother and grandmother who passed away July 25, 1981.

We often think of bygone days
 When we were all together.
 The family chain is broken now,
 But memories will live forever.
 To us, she has not gone away.
 Nor has she travelled far,
 Just entered God's eternal home
 And left the gate ajar.
 Lovingly remembered
 and sadly missed by
 husband Earl and family.
